

WATER LANE WORKSHOPS

Transform old furniture into beautiful painted treasures

This inspiring one day course set in a characterful Cotswold workshop is all you need to bring your old tired furniture to life and allow you to get creative.

Our expert Clive Burling has over 30 years experience in the business. During the day he will teach you painting techniques, using our own beautiful china clay paints inspired by the colours of the Cotswolds. Once applied we learn how to make the most of its unique properties. We go on to explore sanding, waxing and finishing to create a variety of distressed and contemporary looks.

Our express method means you can take your piece home, ready for use by the end of the session.

The day lasts from 9.30am to 3.15pm with a two course lunch and time for tea, coffee and homemade cakes.

You will leave with the piece of furniture you brought which will be transformed, as well as notes to remind you of what you have learnt and feel inspired to do more!

The cost is £85 which includes all materials.
