

WATER LANE WORKSHOPS

A handmade Christmas with beautiful wreath

Sarah Hardaker is one of the UK's leading fabric and wallpaper designers and when she turns her hand to anything crafty the results are equally impressive.

In the morning you will work on your own traditional mossed Christmas wreaths. Sarah will guide you through each step and show you how to make adornments to create a truly individual wreath which you are proud to hang on your front door.

The afternoon session will be filled with lots of tips and tricks for making handmade decorations, wrappings, treats and adornments to dress your home for a magical Christmas. You will be able to try your hand at a variety of techniques and go home feeling full of inspiration for creating a natural Christmas in your home.

Come and indulge in a lovely Christmas experience, the cost is £70 which includes all materials.

The day lasts from 9.30am to 3.15pm with a two course lunch and time for tea, coffee and homemade cakes.

To find out more please get in touch kate@waterlaneworkshops.co.uk or call 07770 988455

Look forward to hearing from you,

Kate
